CRIMINAL COMPLAINT

CASE NUMBER B-06 583 MJ

I, the undersigned complainant being duly sworn, state the following to be true and correct to the best of my knowledge and belief. On or about May 18, 2006, the defendant, an alien who previously had been denied admission, excluded, deported, or removed, was knowingly and unlawfully present in the United States, having been found in Cameron County, Texas and not having obtained the consent of the Attorney General or the Secretary of Homeland Security for application to reenter the United States, in violation of Title 8 United States Code, Section(s) 1326 (a) & (b).

I further state that I am a United States Border Patrol Agent and that this complaint is based on the following facts: The defendant is a citizen and national of Mexico who was previously deported, excluded or removed from the United States on July 1, 2005.

Agents encountered the defendant at or near El Ranchito, Texas while performing linewatch operations.

Record checks on the defendant revealed prior criminal and immigration histories. Record checks also revealed that the defendant has not applied for permission from the proper authorities to re-enter the United States.
